CAREER OBJECTIVES

A driven third-year Computer Science student at the University of Mindanao with a passion for crafting intuitive user interfaces and building responsive web applications. Seeking an OJT or internship opportunity where I can transform academic knowledge into real-world impact — while continuously refining my skills in UI/UX Design and Web Development under the mentorship of industry professionals.

EDUCATION

2023-2026 (Present)
University of Mindanao

Bachelor of Science in Computer Science
Specialize in Cybersecurity

PROJECT EXPERIENCE

2026 (Present)

SVS Beauty Salon Booking Management System
A full-stack booking and admin panel for a beauty salon covering six management subsystems that work together to ensure smooth operations.

2025

NESTNOVA: Property Listing System
A property listing platform for browsing and listing real estate with a modern UI.

2024

PRO Cook Food Ordering System
A personal recipe organizer with a modern UI for managing and sharing cooking recipes. The program will apply insertion sort to organize and manage data based on specific criteria provided by users.
